

LARENCE

HOME DECOR

Maximizing The Beauty Of Your Home

Creating is beautiful, and entrepreneurs are important to market economies because they can act as the wheels of the economic growth of the country. By creating new products and services, they stimulate new employment, which ultimately results in the acceleration of economic development.

THE ART OF CREATING

We are **Larence Home**, we manufacture high quality metal furniture that specially designed, and luxurious decorative home accessories like table lamps, candle holders, wall decors, statues and trinkets, fabric products, etc With the inspiration of special designs all over the world and working with Iranian handicraftsmen and train them on a global scale, and it's combination with modern technology, exclusive products are available to us.

If you travel the world looking for new products and interested for home decor, and Larence Home happens to catch your eye, we are open to inter international partnership. we can ship your order fast and wide from our Tehran based warehouse, because we are ready to send our products all over the world If you want to know more about our international terms and policies, please contact us.
